## **New Business:**

The President suggested letters of appreciation be sent to Tonka of the Mill Yard for bench donation, and a letter sent to Dan Johnson of Danco Builders for his efforts to prepare the field.

Mike Owen: expressed concern that games scheduled on May 27<sup>th</sup> (Memorial Day) may need to be rescheduled due to missing players. If necessary games that night could be moved back to August 7<sup>th</sup> at the end of the season, or scheduled early if agreed upon. Mike felt that much of the recent argumentative e-mail messages should have been restricted to the Board, and not sent out to the other Managers and league players.

Larry Pardi: would like to add and additional player to his team as he only has 13 players. Commissioner Mike Carroll will review the policy and get back to him shortly. Buzz Johnson says he has another player that would like to join the league, Jerry Bonder? He would be placed on a waiting list, according to policy.

Bill Hicks: stated he wished to rescind his resignation from the League, and understands he would not be the Manager of the Legends. President Schlosser stated this would be discussed at a closed session at the conclusion of the meeting.

No further actions or discussion, so the meeting was adjourned at 6:52 pm.

Closed session of the four Board Members followed the Regular Meeting to discuss the voluntary resignations of both Bill Hicks and Dan Duncan from the 60's league. Closed session action: No further action was deemed appropriate at this time.
